WHAT OUR CLIENT SAYS

NANDINI BHARDWAJ

"Today when you think about voice-overs are best for professional voice recordings then only a name comes into my mind is - Apki Aawaaz by Miss Preeti Gaur. Absolutely professional services. She is really creative, talented and is helping me and all to grow and carve my own niche in Voice Over industry."

ABHISHEK ANAND

"I think I never was so satisfied with a voice artist before. Normally, many VO artists have good voices, good recording equipment and so on, but I was almost always missing this special 'spark'. A professional who not only reads the text out loud in a microphone, but really feels the message behind it and is able to transmit authentic emotions with all ups and downs in her tone." Even with her perfection, first cut of the VO was 'so on point' with right pronunciation that we needed no revisions! Definitely in a long term relationship with them for all our VO projects. Thanks Preeti & Team Apki Aawaaz!

POOJA RAJPUT
